

## Maun Conservation Group, how to join?

Thanks for thinking about working with us, you can either join as a volunteer or as a full member.

**Volunteers** just need to register by sending us your information as listed below, please note some of the information is needed for health & safety reasons when you help on a work session

Joining as a **Member** lets you get more involved by; attending our general meetings, helping us to plan what to do on the reserves, contributing to the running of the group, attending wildlife training sessions and leading wildlife surveys/activities. Annual cost to join as a Member is just £5.

**Donations.** We are happy to receive any donations that you may wish to send, these will all go towards the reserves, ie. For buying additional plants/trees, specific equipment for on-site works or funding training for the team. 100% of all monies received from membership/donations goes towards maintaining and improving the reserves.

**Information required,** please provide by email to us and we'll send you our bank details so you can pay/donate electronically. Please add a reference comment (e.g. your name and "membership" or "donation")

1. Full Name
2. Address (please include post code)
3. Your email address you want us to use
4. Your Phone/Mobile number
5. ANO Person Emergency Contact Phone Number
6. Please explain why you want to join the group?
